MESSAGE : PERIOD OF TRAY REPLACEMENT.

Dear Sir.

Thanks for your kind cooperation.

AA. I would like to know the period of tray replacement.
How many days does it take to replace it?

For your information, the turnaround of my plant is scheduled for June. and the allowable maintenance period is about 20 days.

BB. Unfortunately, I do not have any information about your high capacity tray. Pls. send me the general and technical data for your tray as many as possible by mail.

Your earlier reply would be highly appreciated.

Best Regards,
